

Job Title:	Evaluation Specialist for Evidence-Based Treatment (EBT) Training
CCFH Program:	North Carolina Child Treatment Program (NC CTP)
Location:	Hybrid
Position Type:	Full-Time

JOB DESCRIPTION

Established in 1996, the Center for Child and Family Health (CCFH) is a community-based nonprofit organization. CCFH’s mission is to define, practice, and teach the highest standards of care in treating and preventing childhood trauma, serving more than 2,500 children and families each year. CCFH training faculty are committed to developing and sustaining a child trauma mental health workforce across North Carolina and the country, leveraging state and federal programs to support clinical training, consultation, and technical assistance. CCFH faculty hail from Duke University, the University of North Carolina at Chapel Hill, and North Carolina Central University. They include clinicians, researchers, nationally-endorsed trainers in evidenced-based treatments (EBTs), and clinical and implementation experts. CCFH is located in Durham, North Carolina, and is a Category III site in the National Child Traumatic Stress Network (Substance Abuse and Mental Health Services Administration, U.S. DHHS).

Program Description

The North Carolina Child Treatment Program (NC CTP) is a collaborative initiative within CCFH. NC CTP has been in operation since 2006, serving as a statewide platform for the implementation and support of child trauma mental health EBTs. In 2013, the North Carolina General Assembly awarded NC CTP an annually-recurring appropriation, administered by the NC Division of Child and Family Well-Being (NC DCFW), to support an array of child trauma mental health EBTs across North Carolina. In 2024, the NC DCFW awarded additional funding for EBT dissemination across the state.
